

## **Nick Kelly**

### **Running Dog**

(Self Possessed Records) ★★★★★

A SONGWRITER of note with the now defunct Fat Lady Sings, Nick Kelly has frustrated his fans with the absence of regular material since the demise of the band. This, his first album in seven years, offers a reminder of what we've been missing – astutely observed vignettes wrapped in plaintive instrumentation.

*You Will Love Again* – featuring the dreamy vocals of Miriam Ingram – and *Not Enough Love (To Go Around)* are especially fine.
